Warsaw  
Bar  
Association

Dear Colleague,

it is my great pleasure to invite you and the officials of your Bar Association to the VII<sup>th</sup> International Conference Modern Bar Association. The conference will take place on **23 – 24 of May 2024** in Warsaw. Please find attached the program.

This year the general title of the conference is following: Modern Bar Association and Dialogue with Public Authorities and Civil Society. During two days of the event we will be sharing expertise in this field. Although it is main topic of our meeting, we will also be discussing about other issues important for bar associations today. I strongly believe that exchange of ideas and experience will help us better understand each other, learn about our achievements and apply them in our bar associations.

The registration form and the program of the forthcoming event may be found on the conference website <http://mbac.oirp.warszawa.pl>

I hope you will find this invitation interesting and I also hope to meet you soon in Warsaw.

Yours sincerely,

prof. Monika Całkiewicz

President of the Warsaw Bar Association

*ps. Please feel free to share this invitation with your colleagues and all the officials of your Bar Association.*
